Consult Me About Accident and Health Insurance

I have completed an experience of fifteen years in insurance, and during the past five years have specialized in accident and health insurance. I feel myself qualified to give expert advice on insurance matters.

CHARLES C. PRITCHARD.

To the uninsured man

I offer advice as to the best form of accident or health insurance and will be glad to fully explain all of the various benefits and forms of policies. I sell insurance for all regular companies, and, as I am not employed by a particular company, I can give unbiased advice as to which policy best fits a particular case.

To the insured man

who now has an accident or health policy I can give a comparison of the various policies now in force with the one he carries. I will do this free of charge. Every policy-holder should be sure he has the best form of policy.

Many changes have been made in the benefits offered by accident and health insurance companies during the past few years. Some companies are offering as much as 50% MORE CASH paid on death, loss of limbs or sight to-day, for a stated premium, than was offered three years ago or is still offered by other companies.

Every man who is insured now or who thinks of insuring, should

Consult Me About Accident and Health Insurance

so as to be sure he is getting the most for his money.

Wherever you turn—in Business Offices, great and small—in the quiet of the Home—in the roar of the Railroad and Telegraph service—in the seething maelstrom of modern Newspaperdom—in countless kinds of service—it's the sturdy, strenuous *Oliver* that's "making the wheels go round."
